1. **Functionality of Mobile app:**

Sub-Store Level Mobile App: A mobile app was created specifically for sub-stores, focusing on core functionalities like

- I. **Indent Generation:** Additional Drug Requests for managing inventory.
- II. **Issue Desk:** Distributing supplies based on previously created indents using an online system.
- III. **Issue Acknowledge Desk:** Confirming and acknowledging receipt of indent requests.
- IV. **Drug Locator:** Tracks exactly where each item is stored: Facility type and Stock Quantity of a particular Item.
- V. **Active Stock:** Tracking and managing the current inventory available.
- VI. **Near Expiry:** Tracking and managing the Near Expiry (90 Days) Item in inventory available.
- VII. **NSQ (Not of Standard Quality):** Tracking and managing the Inactive Item in inventory available.

VIII. **Indent Generation Report:** A "Indent Generation Report" refers to number of Indent raised from Sub Store.

2. **Getting Started:** (Downloading & open application)

- I. Download Mobile App GP-DVDMS by clicking on below mentioned link: -

https://drive.google.com/drive/folders/1j5Sa_j-ly7voVvffzt3iRzkRmat5dMej?usp=sharing

- II. Open the GP-DVDMS mobile app by clicking on icon 
- III. A Splash Screen Will appear, which contains all the Program name which also include "Family Welfare Programme"
- IV. By clicking on the (FWP) user will be redirected to the "LOGIN" screen.

Step 1

Step 2

Step 3

3. Login and Logout Process:

- I. Open the App and Select the Program which is to be used i.e.” **Family Welfare Programme**”
- II. Login to the Program using the same username and password as the web application; there's no need for a new username and password.
- III. The available processes will be displayed to the user based on their assigned role.
- IV. Login with Example: (User Name → **swh_haryana** & Password→ **admin@123**) and click on “Sign In” Button.
- V. Logout: User can logout by clicking this icon () and come to the login page again.
- VI. Any user can access the app, based on the role assigned to them. Users, such as SWH, DWH, DH, PHC, CHC, ASHA have access to the following features as per their designated roles.
- VII. The following screen will be appearing after Login & Logout.
