Family Planning- Logistics Management Information System (FP-LMIS)

The Union Ministry of Health and Family Welfare is instrumental and responsible for implementation of various programmes on a national scale in the areas of health, prevention and control of major communicable diseases and promotion of traditional and indigenous systems of medicines.

National Family Planning Programme

The primary objective of the National Family Planning Programme is to promote healthy timing and spacing between pregnancies and to improve reproductive health by providing free access to various contraceptive methods to all eligible couples.

Under this programme, contraceptives viz. Condoms, Oral Contraceptive Pills, Intra Uterine Contraceptive Devices, Emergency Contraceptive Pills, Injectable Contraceptive, Weekly Contraceptive Pills, Tubal Rings and Pregnancy Test Kits are procured by the Central Government and supplied to State/UTs as per their demand and distributed to the clients through the chain of public health facilities viz. Medical College, District Hospital, Sub-divisional Hospital, Community Health Centre, Public Health Centre, Urban Health Centre, Sub Centres and ASHA.

Login
Sign into your account

Input your Username

Input your Password

Enter Captcha

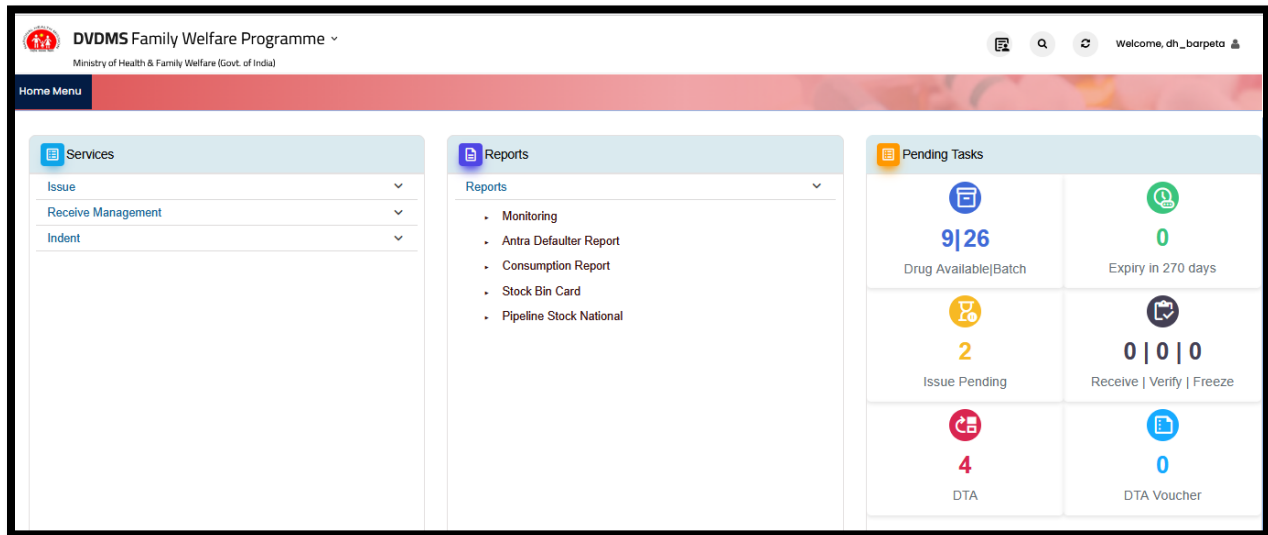

Captcha is case sensitive

c D² G78

Login

Go to Settings to activate Windows.

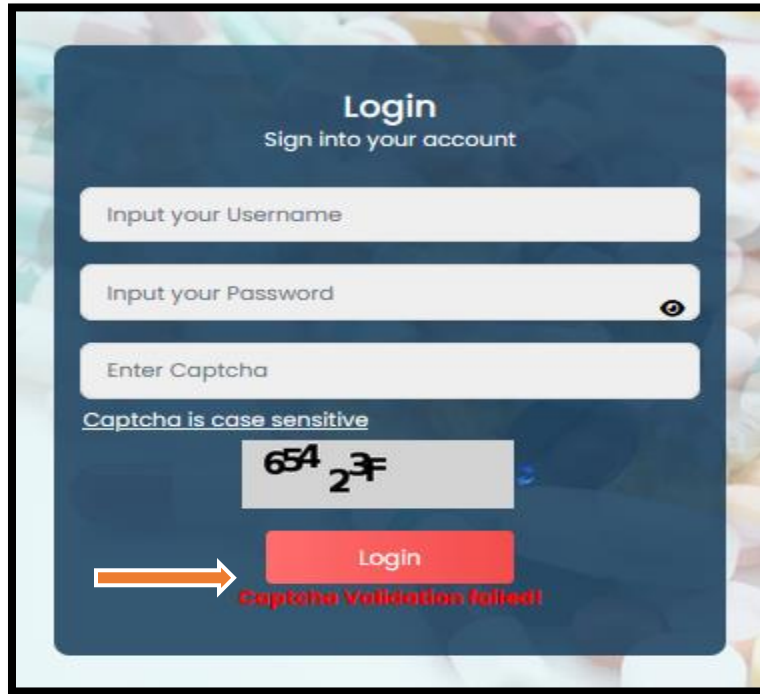

- Enter 'User Name', 'Password' and 'Captcha' then click on 'Login'. After successful login, the home page screen appear, which contains Services, Reports and Pending Task. As shown in below image (img.1a)

img.1a

Potential errors in logging:

- Login may fail due to any of the following reasons:-
 - ❖ Incorrect User Name or password
 - ❖ User login expiry
 - ❖ Captcha validation failure
 - ❖ Network / Server failure.
- In all cases of login errors, the system would display relevant error message. Incorrect Login name or password. The system would display Invalid User name and Password message: As shown in img1b

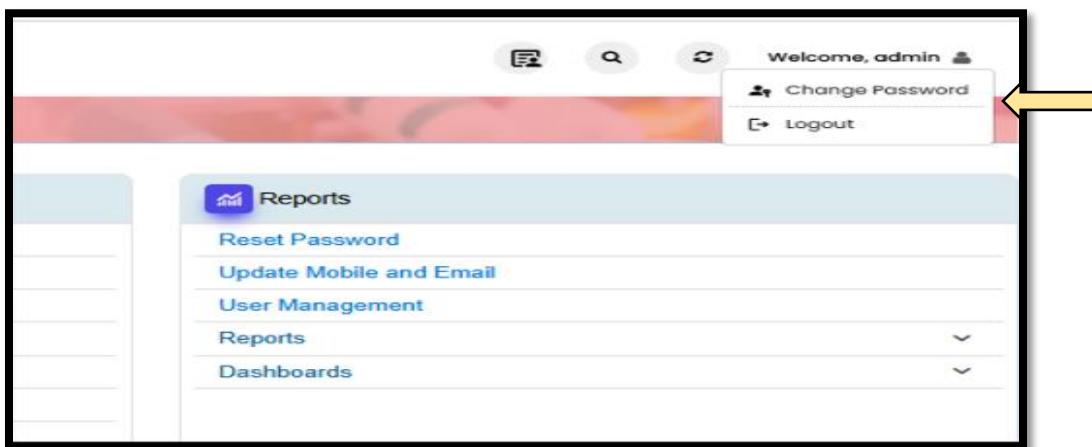

The image shows a login form with the title "Login" and the subtitle "Sign into your account". It contains three input fields: "Input your Username", "Input your Password" (with a toggle icon), and "Enter Captcha". Below the captcha field, it says "Captcha is case sensitive". A captcha image displays the characters "654 23". A red "Login" button is at the bottom, with an orange arrow pointing to it. Below the button, a red error message reads "Captcha Validation failed!".
